Dear Examiner Helms:

We have recently learned that the mail sent to the PTO Washington address Washington 20231 in October may have been processed at the post office contaminated with antrax and therefore may not have been timely delivered to the PTO. In any case we have not received a stamped return postcard from the PTO acknowledging a receipt. Consequently, in order to prevent abandonment of this application, I am forwarding to you copies of the documents as mailed to the PTO on October 22, 2001. The six month period from the date of the Final office Action expires on December 20, 2001. I hope that the documents filed on October 22 will eventually reach the PTO, however, to avoid the abandonment and problems connected with revival of the abandoned application, I respectfully request that you accept the replacement copies of the documents duly filed on October 22. Thank you for your courtesy. If there are any fees to be paid with filing of these documents, please charge them to the Deposit Account 16-1331. Respectfully submitted
